

Now in its 80th season, Nashville Children's Theatre's belief that a cultural heritage is the right of *all* children is stronger than ever. NCT relies on private support to fund and maintain its performances and educational activities for more than 80,000 children, parents, and teachers annually. Revenue from ticket sales and classes only provide 63% of the program costs. **Your contribution to NCT allows us to make these programs accessible to all children, regardless of their financial capabilities.**

If you are a new Friend of NCT, welcome aboard. We know it means a lot that you have chosen NCT in your charitable giving and we look forward to a long and happy relationship!
